Placement Sheet Instructions:

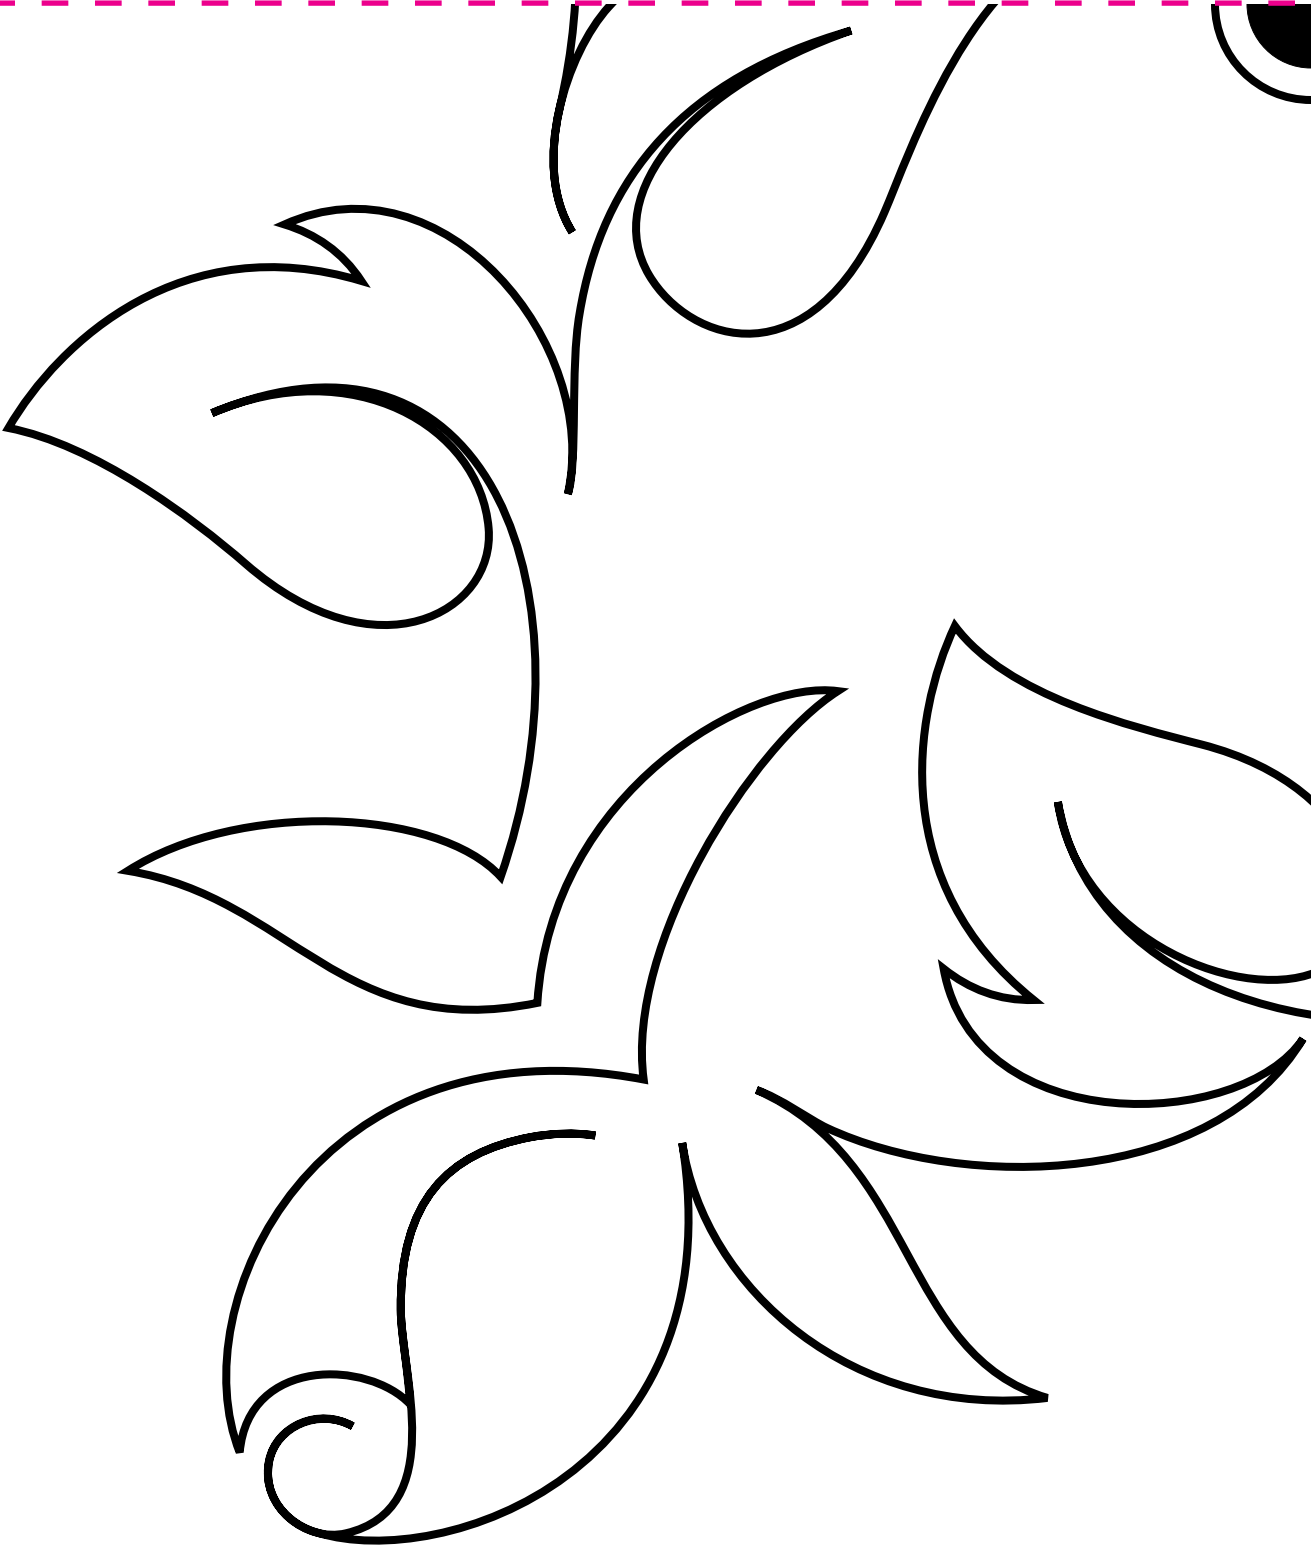

Use pages #1 through #4 to assemble the placement sheet:

1. Cut the sheets on the dashed (- - -) lines.
2. Tape section #1 to section #2, making sure that the design aligns exactly.
3. Tape the remaining sections together into pairs as illustrated below. Again, make sure that the design aligns exactly.
4. Tape the #1/#2 section pairs to the #3/#4 section pairs together in the same way as above until placement sheet is complete. Make sure that the design aligns exactly.

NOTE: Use the alignment dots © to assist with alignment.
